## CONDITIONS OF CARRIAGE AND VEHICLE SIZE LIMITS

### Length, width and height restrictions:

Length up to 5.5m per unit. Maximum width 2.2m.

### Height limits:

Sydney–Adelaide and Melbourne–Adelaide 1.57m,  
Adelaide–Perth 1.94m, Adelaide–Alice Springs/Darwin 2.00m.

Subject to height restrictions 4WD vehicles may be conveyed between Adelaide, Perth, Alice Springs and Darwin. Wind deflectors, louvres etc. must be removed before loading. Roof racks must remain empty. The height of roof racks and the length of any towbar should be included. Caravans, including pop tops and boats are NOT conveyed by Motorrail. Vehicles must be roadworthy at time of loading and capable of being driven on to carrier. Motorrail Carriage on all GSR train services is subject to certain conditions of carriage. These can be obtained from our website [www.trainways.com.au](http://www.trainways.com.au) or by calling 13 21 47. \$AUD250 is the limit of liability in respect of destruction, loss or damage to your vehicle. Motorrail check in on date of travel. Effective to 31 March 2006.
